## Subtitle

Ready whenever you are, Steph. Practice your show and tell.

Hi, boys and girls. My name is Stephanie Tanner.

For show and tell today, I brought something cuddly cute, and adorable.

May I present.. May I present..

My little baby sister Michelle Tanner.

Michelle is a baby. Her hobbies are drooling and babbling.

Under here is her diaper

which I'm not allowed to change but I've seen people do it, and it's gross.

Any questions?

Yes, little girl?

Does Michelle have a big sister who's really cool?

Yes, she does. Me.

That was wonderful.

Steph, if I had a gold star I would stick it right to your forehead.

Jesse.

Hi, guys.

- Bye, guys. - Wait a minute.

- Jess. - Hmm? For the past five days you've been sneaking in and out of house

carrying that blue bag with not one word of explanation.

Uncle Jesse, it's driving me crazy.

Just answer one question. Where do you go with that bag?

- Out. - Out where?

Outside. And that's two questions. Goodbye.

Hello.

I love everyone.
